21 + 3 Players Guide

21 + 3

21 + 3 is an optional wager that the first two cards dealt to the hand to which the wager relates will, when combined with the dealers first card make a three card poker hand against the following list of hands:

Flush

All three cards of the same suit

Straight

All three cards in sequence but not of the same suit

Three of a Kind

All three cards of the same rank

Straight Flush

All three cards in sequence and of the same suit

All winning hands will be paid odds of 9-1

If non of the above hands are formed the wager will lose

The playing of a 21 + 3 wager shall not effect the manner in which a player may choose to play his hand in accordance with the practices and rules for Blackjack. A 21 + 3 wager may only be placed if the player has also placed a standard initial Blackjack wager on the hand concerned.

All 21 + 3 wagers will be settled immediately after the initial deal before any decisions are made further or cards are dealt to the main Blackjack game.
